2024

Monongahela Valley Country Club is now accepting new members!

We are a private nine-hole golf course established in 1919, with some of the best par threes in South Western PA and superior, lightning fast greens. We have a fully equipped Pro Shop, a grass tee driving range and offer professional golf instruction for all ages. The club also welcomes all golf league inquiries.

The two and one half story club house has a restaurant, grill room, sports bar with three flat screen TV's and an internet jukebox, banquet facilities and an in-ground swimming pool. Our course has been the training ground for many outstanding amateur and professional golfers and we are proud to say that several of our past members went on to become PGA professionals who played in US Opens, the PGA, the PGA Senior Tour, taught at the Golf Digest Golf School and written numerous golf instruction articles for Golf Digest.

Join now and take advantage of the best golf value in the Mon Valley!

Membership Process

The First Steps to Joining

Fill out the membership application and indicate the appropriate membership classification.

Each application requires two sponsor signatures. A sponsor signature is defined as a current MVCC member (any class) in good standing.

Sign and date the application.

Be sure to include an email address. We use your email to send your monthly billing statement (if applicable), the monthly club newsletter and most club correspondence. If you do not have an email address, visit the club office to inquire about other options.

Attach payment of first month's applicable dues with your signed membership application.

Upon signing the application, you, the prospective member, are committed to a minimum of one year (twelve consecutive months) of dues upon approval of membership, with the exception of Monday-Friday golf, house and the "special" full family golf intro offer, which all expire on the last day of the year in which you have applied for membership.

What Happens Next?

Once we receive your signed application and the initial dues payment, you may begin to utilize the facilities immediately. However, your "charging" privileges will not commence until you receive written notification of your membership approval.

Your name will be posted on the club bulletin for 10 (ten) days as required of the club by-laws. At the next scheduled monthly board meeting, your application will be voted upon. Once approved for membership, you will receive written notification from the Club. At this time, you will be given a club account number and your "charging" privileges will commence. You have the option of "charging" to your club account or you may pay by cash, check or credit card. When requested by club personnel, you must provide your account number and/or name.

Billing statements will be issued during the first week of each month and must be paid in full on or before the last day of the month in which they are received to avoid any late fee charges.

Your initial application payment will be applied to your club account once your first month's dues have been billed.

After receiving your membership approval letter, you may stop into the club office to pick up your complimentary membership directory booklet and a copy of the current newsletter.
